Professional Summary

Motivated MCA student with strong technical and analytical skills and hands-on experience in software development. Passionate about applying knowledge, contributing effectively, and continuously learning to achieve professional excellence.

Education

Master of Computer Applications (MCA)

2024–2026

K. K. Wagh Institute of Engineering Education and Research, Nashik

CGPA: 8.00

Bachelor of Computer Applications (BCA)

2021–2024

Dhariwal ACS College, Jamner

CGPA: 9.31

Technical Skills

Languages: Java, Python, JavaScript, SQL

Frameworks: Django, React.js, Node.js

Databases: MySQL, MongoDB

Tools: Git, GitHub, Postman, VS Code

Internships

Junior Software Developer Intern

Feb 2026 – Present

Sumago Infotech, Nashik

- Worked on Product Quality Check and Defect Reporting System, focusing on development, testing, and defect tracking.

Frontend Developer Intern

Jan 2026 – Feb 2026

CodTech IT Solutions

- Developed responsive user interfaces and improved frontend usability using modern web technologies.

Projects

AI Powered Voice-Based Government Scheme Guidance System

Python, Django, AI

- Developed a voice-enabled web platform for government scheme discovery and eligibility analysis.
- Implemented multilingual support, reminders, document guidance, and personalized recommendations.

Home Service Management System

React.js, Node.js, MongoDB

- Built modules for service booking, provider assignment, payment tracking, and customer management.

Comparative Study of Password Strength Metrics Using ML Models

Python, Machine Learning

- Evaluated password strength using machine learning models and compared prediction accuracy.

Publication

Predictive Maintenance in Industrial IoT Using Deep Learning

May 2026

Published in IRJIET. Achieved 96.1% prediction accuracy using CNN-LSTM based predictive maintenance.

Certifications

- Google Cloud Data Analytics
- AWS Academy Cloud Foundations
- iLIKE Certificate in Mobile App Development (MKCL)

Academic & Co-Curricular Activities

- Anchored and volunteered at Ascend 2025, KKWIEER.
