College at a Glance

The K. K. Wagh Arts, Commerce, Science and Computer Science College (popularly known as K. K. Wagh Senior College) was established in July 2002. The College sprawls in its own building enjoying beautiful natural settings and scenic campus. The College offers full fledged degree courses in various faculties viz. Arts, Commerce, Science, and Computer Science. Keeping in mind the modern trends we have started full fledged B.B.A, B.B.A-CA, Biotechnology, M. Com, and M.Sc.(Computer Science) courses. The college has earned name and fame for its academic excellence, punctuality, high standard of discipline and administration, progressive outlook, and urge to serve the society. The College has well-equipped laboratories in every faculty and an enriched library with a variety of reference books, Journals, Magazines & Newspapers.

Apart from various curricular activities, the college provides facilities for extra-curricular activities like Student Council, NSS, Sports, Earn and Learn Scheme, Personality development programs, Competitive Exam Cell, and Forum Activities in every faculty. In both curricular as well as extra-curricular activities, our students have excelled and brought laurels to the college. The credit goes to the dedicated work of the staff and students. Our team is a blend of young and enthusiastic staff regularly contributing to social and cultural activities along with their academic work.

During the last ten years, the college has shown substantial progress in terms of better facilities and various openings in traditional and modern degree courses. The college also offers reinforcement and guidance facilities with additional computer and language skill as well as make students aware of various career options. The College has good ambiance helping in the overall development of students. The management gives overwhelming support for the development of the college.
